In the image you can see the artwork
Tot allò que ens separa i ens farà desaparèixer
(Everything that separates us and will make us disappear)
that the artist **ENRIQUE BARRO** made in 2007.

Title: *Tot allò que ens separa i ens farà desaparèixer*

Year: 2007

Technique: Mixed media on wood (coloured pencil shavings)

Measure: 130,5 x 130,5 cm

Location: Can Framis Museum

ENRIQUE BARRO used coloured pencils to create this artwork, but not really to draw with...

DO YOU KNOW HOW HE USED THEM?

He sharpened them with a pencil sharpener and then used the shavings to create and fill out this work.

He has **deconstructed** an object in order to create a work of art!

How about making a small work of art using pencil shavings?

¿Do you fancy?

Materials:

A piece of card or paper for the base, some coloured pencils, a pencil sharpener and a glue stick.

Have a go!
