Lita Cabellut

RETROSPECTIVE

Thursday 05 | October - Sunday 27 | May

Retrospective is an exhibition of work by the artist Lita Cabellut (Sariñena, 1961) which can be viewed at the Espai Volart galleries from 5 October 2017 to 27 May 2018.

After the show *Trilogy of Doubt*, held in Espai Volart 2 in 2013, the Fundació Vila Casas is debuting a new gallery with this exhibition which surpasses the conventional limits of painting to locate itself in the terrain of risk, gesture, and psychological portraiture laced with a latent classicism reminiscent of Goya, Velázquez and Rembrandt.

The Fundació Vila Casas

The Fundació Vila Casas, founded in 1986 by the pharmaceutical entrepreneur Antoni Vila Casas, is a private, non-profit making, organisation which has the promotion of contemporary Catalan art as its main aim. The central mission of the Fundació Vila Casas is to make tradition, culture and language the core of our country's identity.

With five exhibition centres, all part of our architectural heritage, the foundation has become a platform for exhibiting the permanent collection and holding temporary shows of the artists featured in the collection.

In the socio-sanitary field the foundation promotes research with the aim of establishing dialogue between health care professionals, the media and society.
